Now this something to quack about!

We started in 1971 when the word “conservation” was a little known concept to most people. But we here on the Eastern Shore inherently knew that conserving waterfowl & habitat was imperative. So fifty years ago, the community launched Waterfowl Festival. That remarkable signature event has continued to take flight each fall thanks to our belief in and commitment to conserving the places we hold dear. A rare occurrence indeed.

“Flock & Feast Experience” Thursday, April 23, 2020

We are planning a feast to kick off and support Waterfowl’s Golden Anniversary Year of conservation efforts and programming!

Join us as a sponsor for a culinary event unlike any other in Talbot County.

Our Flock & Feast Experience is the kick off event for our year-long journey toward the 50th Waterfowl Festival in November. Signature chefs from across the region will prepare a multiple course gastronomic feast of local, seasonal specialties representative of the Eastern Shore and all its bounty.
